## Hello Cross Creek Village Neighbors!

It's time to **invest** in our community again, and you can help. We have seen an amazing increase in our home values. **This is due, in part, to all of you, who maintain your homes and work to keep our neighborhood a safe and beautiful place to live.** Thank you for your efforts!

We also believe the **Gateway Entrance** plays a key part in keeping our community safe and welcoming. **We have an opportunity to help our Gateway Entrance shine again!** Please consider donating and invest in CCV!
